WEEK • PARIS

## European Investors acting for a responsible future

170 European Institutional  
Investors

4 keynotes

5 panels

- ESG policies by European Institutional Investors
- Towards «Net Zero» – Global Strategies
- European perspective for institutional ESG implementation
- ESG taxonomy: the investors' reactions
- Asset Managers and Asset Owners: how can they cooperate on ESG issues?

“**Responsible Investors Live**” will gather European asset owners to discuss and develop their understanding of suitable and sustainable ESG policies. Alongside other experts such as Research Professionals, Market Authorities, Regulators, Advisors/Law Firms and Asset Managers, the conference will address the current questions, challenges and ambitions to ensure a responsible future.

**To accelerate the ESG momentum in Europe, Investors must act at a cross-border level.**

● **170 European Institutional Investors and decision makers**, leading the show

● **An exchange between investment leaders** with cross-border experience and shared ambitions

● **High-level expert talks** along with engaged and uncompromising debates

● An event of the Invest Week Paris gathering **2,000+ international Institutional Investors and industry experts**

---

**The traction power of Invest Week Paris :** Since 2019, five major French Investment Market players (AF2i, AFG, Paris Europlace, France Invest and L'Agefi) have teamed up to promote Paris' international dimension as a financial hub and launched Invest Week Paris, a week dedicated to international investors.

During Invest Week Paris, a series of events (InfraWeek, Responsible Investors Live, Global Invest Forum...) gather 2,000+ international institutional investors and other high-level industry experts to foster debate among investment professionals.

This year between October 5-9, Invest Week Paris will offer new opportunities of exchanging and networking in one of the world's greatest cities.
